

Dear Friend,

We are Aaron and Sara. We cannot even begin to imagine and understand all of the emotions that you must be feeling at this time, but we want you to know that we are praying for you. We believe you are a strong and beautiful person who has a wonderful heart, filled with so much love for your child. It must be extremely difficult for you to make such an important decision and we hope this book shows you who we are as individuals, parents and a family.

We have dated and been married for almost 20 years. We have always known that we wanted to have children. Before starting a family, we took time to grow as a couple. Our marriage continues to grow with faith, love and encouragement. God has truly blessed our family. Our Christian faith is very important to us and we are trying to teach that faith to our son. We pray together as a family every night, thanking God for the things he has provided us with. Our parenting style is a form of authoritative parenting that provides the best combination of love and discipline. We pray that we can teach our children about God, how to have Jesus in their hearts, how to make positive choices throughout their life.

We are unable to have biological children and the Lord placed it on our hearts to adopt. Three years ago we were blessed to adopt our son, Titus. Adoption has been one of the most wonderful blessing we've received. Titus is a wonderful little boy who brings so much love, joy and laughter into our home. We are excited to continue to grow our family, and Titus is anxiously waiting to become a big brother.

We pray that the Lord comforts you as you make such a compassionate decision for your child and the Lord gives you peace at all times. We also pray the Lord gives you faith and hope for the future knowing that your child will be raised in a Christian home and will be loved by so many. We pray for your child, that they will be healthy, have a relationship with the Lord, and that they will know the immense amount of love you have for them.

We are extremely honored and blessed that you are taking the time to learn about us, our family, our faith, our interests, and who we aspire to be as parents.

With Love,

Aaron & Sara

*Now may the Lord of peace himself give you peace at all times and in every way.*
