

Hello! Thank you for taking the time to get to know our family. We know that you are thoughtfully considering all of your options and we believe that says a lot about how much you love your child. We are not going to pretend we can imagine what you are going through. We support you in whatever you decide is best for you and your child. We are deeply honored that you are taking the time to look at our bio and pictures. We hope that our love for each other and our family comes through. We are so excited to grow our family through adoption again. We have been praying for you and that God would overwhelm you with peace and comfort as you weigh your options. Thank you for giving us the opportunity to be a small part of your journey.

With Great Love and Respect,

Jacob and Allison
