

# Hope's Promise

## KENYA CONNECTION TRIP

November 19-30, 2020

### TRIP DESCRIPTION

Discover God's heart for the orphaned, poor and vulnerable, and witness first-hand the causes of orphan-hood and the spectrum of responses.

The Kenya Connection Team will start in Nairobi for orientation and to visit Mathare Valley slum, where the Hope's Promise kids started their lives. Then they will travel about four hours from Nairobi toward Mount Kenya, to Meru, for the bulk of the trip. Country Coordinators Pastor and Mama Karau originate from this area where they own ancestral land and a family home, operate a coffee farm, and have established several churches. The team will partner with the local church and Hope's Promise kids to host a Vacation Bible School for kids from the surrounding community.
