

Hi!

We are Aaron and Benta, we hope in this book that you will get to know us a little bit.

We can only imagine the amount of stress and pressure you must be under, and we hope to bring you joy and peace getting to know us.

We have been married for 8 years, and we are truly best friends.

We have a lovely home and a huge family (as you will see).

We have a diverse community of support around us and we would look forward to having an open relationship with You the birth family, if you wished.

We are fortunate to have the ability to work from home and our children will be raised in a home with both parents 100% involved.

I, Benta, am unable to biologically have children which has led us on this amazing journey to you!

We are homebodies to the core and love spending time with our amazing family.

We hope you get to know us through this book (and our video)! Thank you for spending time to get to know us!

With all of our Heart,

Aaron and Benta

(a.k.a. Bentron)
