

You are invited to be a

# church partner.

---

We invite you to partner with us to equip and empower your church community to fulfill the biblical mandate to care for orphaned and vulnerable children.

*Two are better than one, because they have a good return for their labor: If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up.*  
Ecclesiastes 4:9-10 (NIV)

Hope's Promise believes God designed families as the best place for children to grow and thrive. We are working around the world to strengthen families through ethical, Christ-centered foster care, adoption, and global orphan care. Our adoption and foster care programs serve children and families in Colorado and our global orphan care programs are in Kenya, Nepal, Vietnam, and Zimbabwe .

We would not be able to impact children and families around the world without churches coming alongside us and partnering with us and our mission.

## Church partnership with Hope's Promise also benefits churches by:

- Allowing the church to share its resources.
- Providing opportunities for the church body to share its gifts.
